PROFESSIONAL DEVELOPMENT WEEKEND AND AGM 2011

It was agreed to have 2 workshops at the 2011 Professional Development Weekend.

"An Exploration of Culture" on Friday night from 7-9pm. Looking at the following items:

1. what is our own cultural perspective - the filters and assumptions we may not be aware of
2. what other cultural perspectives are we likely to come across or have experience of
3. how does this all feed into the therapeutic environment.

Myffie to invite Peta to facilitate this workshop.

"The Integrative Practitioner" to be held in on Sunday morning from 9.30-11.30am and facilitated by Natalie and Barbara Gibb (with a nourishing tap into Peta's wellspring of knowledge).

1. What is the difference between the Relaxation Scope of Practise and the Integrative Scope of Practise?
2. What does Body Mind Therapy really mean?
3. What evidence would we need to provide when applying for Integrative Practitioner Membership?

A two part workshop - A) what makes an Integrative Practitioner; exploration and collection of group wisdom and ideas. B) How does it work in the clinic; role playing, demonstrations, practice tips.

The Wheelhouse in Nelson has been booked for 27-29 May 2011. It was agreed there would be a \$5 day charge for those not staying at the Wheelhouse. Workshops would be charged at \$10 each. This is to be advertised on the website and in the next Ripples. All core group members to send their flight details to Myffie.

ASSESSMENT PROGRESS

One application has been viewed by both assessors. The other applicant has decided to re-film their submission. Barbara G and Natalie have lots of feedback on the process to share – to discuss further with the current applicant. Training of assessors to be discussed by teleconference prior to AGM with further discussion to continue at AGM (working breakfast? – yeah right!!).

ELECTION OF CORE GROUP AND OTHER ROLES

Barbara G has had an initial meeting with Robert, Treasurer -In-Waiting. He is hopefully to be unveiled at the AGM. Tracey queried her position as Student Rep, she wishes to remain in the Core Group but suggested we need to find a new Student Rep.

MENTORING

The Mentoring Scheme is still under consideration. Myffie and Natalie to follow up with proposed mentors and a list to be put up on the website with guidelines for mentoring.

ANY OTHER BUSINESS

Tracey and Michelle to revisit the membership Pack at the AGM weekend.

Any Core Group financial claims to be into the Treasurer prior to 31 March 201.
